MAXHUB

Declaration of Software Name Changes - from Bytello DMS to MAXHUB Pivot

Bytello DMS (device management system) web console will be upgraded to MAXHUB Pivot from Jan. 4, 2023. The Bytello DMS client already installed on your devices will also be upgraded. All your organization data will remain the same.
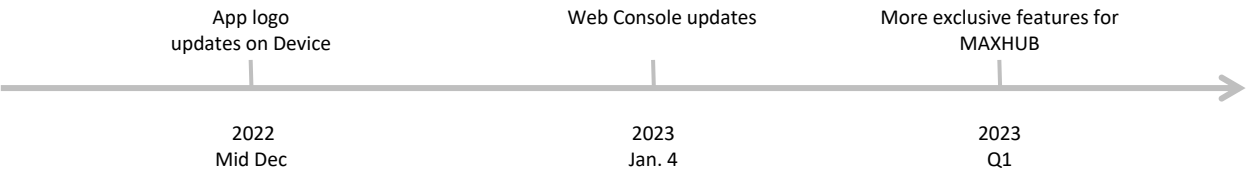

1. Why rename

Bytello has been renamed as MAXHUB Pivot. Moreover, in the future, as the exclusive management software of MAXHUB, MAXHUB Pivot will provide MAXHUB customer with more management software services and features that are exclusive for MAXHUB in order to improve user's efficiency in managing MAXHUB products.

2. Name changes and impacts

	Before	After
App pre-installed on device		
Website	dms.bytello.com	pivot.maxhub.com
Web console	Bytello DMS	MAXHUB Pivot

3. Roadmap

App logo updates on Device	Web Console updates	More exclusive features for MAXHUB
2022 Mid Dec	2023 Jan. 4	2023 Q1

1) App logo updates on Device - Mid Dec

2) Web console will be updated from Jan. 4, 2023. When end user (IT Admin) logs in **dms.bytello.com,** it will show instructions to lead customer to new site of MAXHUB Pivot - **pivot.maxhub.com.**
Note : Before Jan.1st - customer could still use dms.bytello.com to log in and manage

Product upgrade

Bytello DMS web console has now been upgraded to MAXHUB Pivot. The Bytello DMS client already installed on your devices will also be upgraded.

All your organization data wii remain the same. Please be sure to save the new URL to use later. Learn more
